**Rationale:** TNSA has not had a dues increase in many years. We are proposing an increase of \$5.00 per member. In order to continue to maintain TNSA at its present state considering the cost of living increases and the cost of doing business, it is necessary to request/recommend the increase. If the increase is approved by the TNSA House of Delegates at the February, 2018 convention the dues increase will take place in 2019.
